Hakkımızda / About Us

KARYILDIZ KELEPÇE VE OTOMOTİV YEDEK PARÇALARI; adı altında imalat yapan firmamız 1995 tarihinden beri sanayi de üretim yapmaktadır.

Koşulsuz kaliteden taviz vermeden her geçen günün tecrübesini yarınlara aktararak hızlı bir büyüme içerisinde çalışmalarımıza devam etmekteyiz Her gün ileri taşıdığımız teknolojimizde bir Dünya markası olma yolunda hızlı adımlarla ilerlemekteyiz.

Kelepçe ve otomotiv yedek parça imalatında faaliyet gösteren firmamız geniş bir ürün çeşitliliğine sahip olup; Sloganımız yüksek kalite, verimlilik, sızdırmazlık ve müşteri memnuniyetidir.

Ülkemize ve halkımıza yararlı olmanın, görevimizi yapmış olmanın verecegi huzur, enerji potansiyelimizi yeniden ateşleyerek bizi amaçlarımız dogrultusunda yönlendirecektir.insanın ve güvenin sermayeden daha degerli olduguna inanıyor gelecege umutla bakıyoruz. Sizlerle tanışıp hizmet vermek dileğiyle, saygılarımızla.

KARYILDIZ KELEPÇE VE OTOMOTİV YEDEK PARÇALARI; Our Company which has been manufacturing various clamps and other automotive spare parts under the name KARYILDIZ KELEPÇE VE OTOMOTİV YEDEK PARÇALARI since the year 1995

We are continuing our attemts by carrying out our previous experiences to the future without giving any concession from our qualifications. We believe that we are in a great enlargement and development on the way of the technology and productivity. We are forwarding as a world mark with our technology which we are carriying towards to the endless horizons.

Our company produces various types of clamps and authomotive spare parts, and has got a large different production fan. Our aim is a high qualification, productivity, imperviousness and the customers' satisfactory. It will be a great pleasure for us to introduce with you, and to make business with you..

Have done our duty to our country and our people being wounded, the energy potentialof being re-fire of peace veredegi yönlendirecektir.insanın us in accordance with our objectives and we look with hope to the future trust fund believes that it was morevaluable. With our best regards and thanks to you.

Hakkımızda / About Us

KARYILDIZ®
Kelepçe Metal Form Ltd.Şti

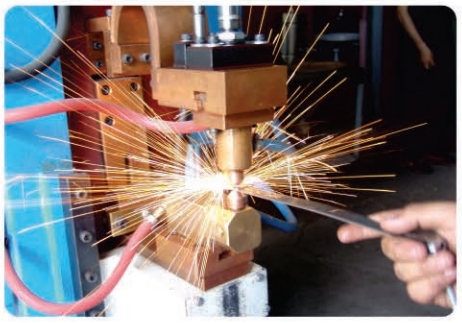

KYZ KELEPÇELERİ; Boruları, hortumları vb ürünleri birleştirme ve sıkma görevi için kullanılan elemanlardır. Kullanılacağı yerlere göre nikel kaplama ve krom malzemelerden üretilir.Montaj kolaylığı sağlamak için kenarlarına form verilen KYZ kelepçelerinin sıkma cıvataları; anahtar başlı, yıldız, düz tornavidalı olarak kombine ve farklı hortum çaplarında kullanılabilecek şekilde piyasaya arz edilmektedir.

KYZ Kelepçeleri Takviyeli, Düz, Yaylı, Kanallı, Tel, Davlumbaz ve Körük kelepçeleri olmak üzere üretilmektedir. Ürünlerimiz Otomotiv sektöründe, Endüstriyel sektörlerde, makinelerde, Hidrolik - pnömatik sistemlerde, Tarım sektöründe ve Dayanıklı tüketim mamullerinde kullanılmaktadır. Üretmiş olduğumuz kelepçe ölçülerinin dışında; talep edilirse farklı ölçülerde ve formda üretim yapılır.

KYZ clamps; Pipes and hoses are the components used to combine and compress the products. They are produced from plating and cromium according to the needs they are going to be used. The clamp bolts of KYZ clamps are formed to provide assembly convenience.

They are offered to the marketplace as conbination of phillips screw driver, screw driver and cap nut and in the shapes to be able to use in different hose diameters.

KYZ clamps are produced in seven categories; strengtened, plain, spring, turbo, bellows, hood and wire. Our products are used in automotive industry, machines, hydraulic-pneumatic systems, industry sector, agriculture and durable consumer goods. If needed our products can be used in different forms and shapes except the standart shapes andforms.

Körük Kelepçeleri bant genişliği 7 mm ve 9 mm olmak üzere iki çeşitten oluşmaktadır.
Daha az basınç noktalarında kullanılır.
Uygunluğu ve ekonomik oluşu nedeniyle tercih sebebidir.
İstenilen Çapta üretim yapılır.

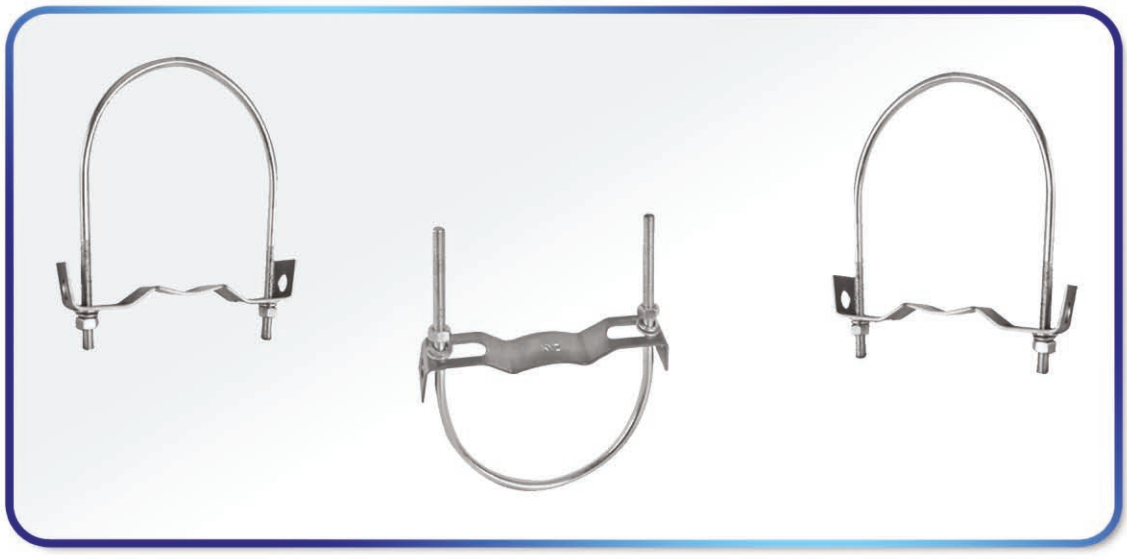

Bellows Clamps 7 mm bandwidth and 9 mm, consists of two kinds.
Less pressure points are used.
Eligibility and economical due to its preferred.
Scale production is desired.

Original part number mentioned only for descriptions.
